DONORS TO ST. MARY'S PARISH, Kitchener

"I am very pleased with the successful pledge result of the campaign in Holy Rosary Parish, Burlington. But I am perhaps even more pleased with the coming together of the community over the months of the campaign."

FR. MARTIN VALLELY
Pastor

The campaign so far has raised a total of $15.4 million, which is almost half of the $35 million goal! The total includes the amount pledged through parish campaigns, plus $1.8 million raised outside of those efforts.

$918,000
19 of 29 "parishes in need" in the first two waves have met their baseline goal, putting them on the path to receive a combined $918,000 in matching funds. Those funds come through the generosity of parishioners across all our parishes.

$71 million
Wave 1 has pledges exceeding $71 million – and counting! – which is 98% of its combined baseline goal of $73 million.

9 parishes in the first two waves have already initiated projects using campaign funds. See descriptions of a few of these later in this report.

5,846 families, individuals and companies, through contributions, have joined together to create stronger parishes and a stronger Diocese.

Like the first Christians, the parishes and Diocese of Hamilton are coming together “one heart and one soul.”

13 of the 15 parishes/missions in the Pilot Wave – which began in January 2019 – have surpassed their baseline goal.

140%
The Pilot Wave has given or pledged more than $4.6 million, 140% of the parishes’ combined baseline goal of $3.5 million. Much of that was received after the close of the Pilot Wave’s public campaign, and gifts are still coming in!

17 of the 31 parishes/missions in Wave 1 – which began in July 2019 – have surpassed their baseline goal. Pledges continue to come in, so we anticipate this number will rise.

39%
Over 39% of the $35 million goal has already been raised by one-third of the diocese’s parishes and missions. That’s $13.65 million!

$918,000

IN THE WORKS...

Parishes from the first two waves are already using campaign funds!

Here are a few of the projects already taking shape:

(above) The Cathedral Basilica has ordered replacement pew cushions and kneelers and is working on tiling the Cathedral nave and enhancing the sound system. Also, the community has committed support to three important outreach ministries in the Hamilton area – the De Mazenod Door, Good Shepherd Ministries, and the Out of the Cold Program.

(right) St. Mary, Owen Sound began a hall renovation and office expansion that has been in planning for several years and is now possible through the campaign effort at the parish.

(below) Our Lady of Mercy, Hamilton replaced deteriorated steps to the church with an attractive accessibility ramp and is completing much-needed facility maintenance and refurbishment projects.

“It is profoundly heartening and inspiring to see the depth of love people have for the Church, and how generously the faithful are giving to the campaign.”

FRANCIS DOYLE
Director, Stewardship and Development - Diocese of Hamilton

$15.4 MILLION

The campaign so far has raised a total of $15.4 million, which is almost half of the $35 million goal! The total includes the amount pledged through parish campaigns, plus $1.8 million raised outside of those efforts.

39%
Over 39% of the $35 million goal has already been raised by one-third of the diocese’s parishes and missions. That’s $13.65 million!

13
13 of the 15 parishes/missions in the Pilot Wave – which began in January 2019 – have surpassed their baseline goal.

140%
The Pilot Wave has given or pledged more than $6.4 million, 140% of the parishes’ combined baseline goal of $4.6 million. Much of that was received after the close of the Pilot Wave’s public campaign, and gifts are still coming in!

871 million
Wave 1 has pledges exceeding $71 million – and counting! – which is 98% of its combined baseline goal of $7.3 million.

$918,000
19 of 29 “parishes in need” in the first two waves have met their baseline goal, putting them on the path to receive a combined $918,000 in matching funds. Those funds come through the generosity of parishioners across all our parishes.

9
9 parishes in the first two waves have already initiated projects using campaign funds. See descriptions of a few of these later in this report.

5,846
5,846 families, individuals and companies, through their contributions, have joined together to create stronger parishes and a stronger Diocese.

17
17 of the 31 parishes/missions in Wave 1 – which began in July 2019 - have surpassed their baseline goal. Pledges continue to come in, so we anticipate this number will rise.

“The Stewardship and Development Office is excited to report on the exceptionally strong start of the One Heart, One Soul Campaign. We hope that seeing such incredible generosity by so many across the Diocese will encourage you as it has encouraged us. This generosity serves as a sign that the Church and faith in Jesus Christ is alive and well in the Diocese of Hamilton!”
